
**GENERAL MEMBERSHIP ZOOM MEETING
FEBRUARY 16, 2021
4:00 P.M. EASTERN**

I hope this email finds you healthy and safe. Hopefully, we are starting to see light at the end of the long COVID tunnel of darkness. Tracy and I recovered from COVID during the Thanksgiving holiday and we had our first vaccination last week. We look forward to the day when we can gather with family and friends and our ACA meetings will be in person rather than by zoom.

In conjunction with the ABA Midyear Meeting, the ACA will hold a combined General Membership Meeting and Board Meeting which will feature presentation by three past ACA scholarship winners regarding how the ACA scholarship assisted them with their education. The scholarship recipients presenting are:

1. Natasha Rai (International)
2. Laura Graham (Cohn/Dorsett)
3. Emma Kurs (Jacobsen)

Attached is the agenda for the meeting and you can use the zoom link below to participate.
